Thinq Homes delighted to offer you an opportunity to be a part of office space, where decisions are made when you take professional office space on vibrant Epping High Street. The Civic Building also houses Epping Forest District Council and is surrounded by commerce, with great transport links to easily access London and beyond. Get straight down to business in the strikingly curved, Grade Two-listed building which blends historic features with bright modern workspaces. Take in the countryside views from the second floor and when you take a break, there are green spaces nearby.
