We proudly present this well maintained ground floor two bedroom flat located in private and quiet area just off Farnham Road, within walking distance to local amenities. The property is situated in a gated development and it benefits from security cameras in the building. Externally there are communal gardens and the development is accessed via secure gates with ample resident and visitors parking. The excellent travel connections are another benefit of living here with the M4 just a short drive away and you can easily access Junction 15 of the M25. By rail the journey time from Slough station to London Paddington takes just over 20 minutes.
